The Executive Engineer, Public Works Department Gokak Division, Gokak in his letter No. C.B.MI.1/of 23-3-60 (copy enclosed) had requested this Department to take up afforestation along the main canal of Kolchi weir in Ramadurga Taluka in the portion of first 6 miles. Accordingly the Conservator of Forests, Belgaum was asked to draw up and submit a scheme in respect of the same. The Executive Engineer intimated in his letter No. IRR/PB dated 18-4-1961 that a further area of 2 miles length will also be placed at the disposal of the Forest Department.

The Sub Divisional Forest Officer, Bagalkot in whose jurisdiction Ramdurga Taluka falls has in anticipation of sanction carried out the work as per the enclosed programme, to enable him to keep the area ready for planting during 1962 rains. As per the programme an amount of Rs. 1,164/- has been spent during the year 1961-62 and the expenditure has been met from the ~~expenditure~~ provisions made under the budget head " b.I(ii) VI Extension of Forests, Canalside Plantation".

Government may therefore, kindly be moved to accord ex-post-facto sanction to the programme costing Rs. 1,164/- and also for entertainment of a post of a Guard from 16-2-1962 to 28-2-1962 as a special case and communicate Government Orders in the matter very early.

Ref:- Letter No.AFD 89 AFT 58 of 14-7-59 from the Secretary to Govt. Agricultural and Forest Department to you.

.....

I have to state that afforestation may be proposed along the main canal of Kolchi weir in the portion of first six miles in Ramdurga Taluka. This portion can be placed at the disposal of the Forest Department.

The trees planted in this portion cannot be gaurded nursed or watered as there is no provision for the same in the sanctioned estimate of Kolchi weir Project. Hence the Forest Department will have to do this for the first five years.

There is no tail end land available under Kolchi Canal for afforestation. Afforestation is not possible on other canals. Village map tracing in Blue print showing the canal alignment is sent herewith for information.

As explained in para 2 of this office letter of even number dated 25-7-1962 in order to keep the area ready for planting during 1962 rains, the Sub Divisional Forest Officer, Bagalkot had to carry out the work in anticipation of the Government sanction and as such prior sanction of Government could not be obtained.
